Hans Memling
Madonna and Child with Saint Elizabeth and the Christ Child
c. 1480-1490
Oil on panel, 45 x 55 cm
The painting depicts the Visitation, the meeting of the Virgin Mary and Saint Elizabeth. The figures are shown in a domestic setting, with the Virgin Mary seated on the left and Saint Elizabeth on the right. The Christ Child is held by the Virgin Mary. The kneeling figure in the foreground is likely a donor or a saint. The background is a dark, wooded landscape. A small glass vessel is on the ground in the lower left corner.
